conference & events

Situated just five minutes from the M1 and the centre of Milton Keynes with free parking for up to 250 cars, The Stables offers an inspirational setting for a wide range of meetings, conferences and business-focussed events.

The Stables offers a professional team of event planners, a number of flexible spaces, state of the art sound and AV facilities and first class caterers to provide you with everything you need to deliver your perfect event.

We regularly host business meetings, conferences, product launches, fashion shows, award ceremonies and training days. With integrated sound, projection and lighting systems, our experienced team of technicians can deliver events for up to 350 delegates.

For large events and product launches The Stables can be completely transformed with removal of auditorium seating and additional lighting and video projection facilities.

And, whatever option you choose, you can select from a wide range of delicious menus from our in-house catering team.

All income generated from Corporate and Private events funds the activities of the Wavendon Allmusic Plan (Charity No: 261645) and our Learning & Participation Department which enables people of all ages, levels of ability and backgrounds to participate in music-making activities. Over 250 sessions are offered each year, ranging from interactive concerts for schools to participatory workshops and longer-term projects. An annual highlight of the Education & Participation programme is the National Youth Music Camps which were founded in 1970 with the aim of providing young people with the opportunity to broaden their musical experience, improve their skills and share their enjoyment of music with others – alumni include Tom Yorke, Guy Chambers, Tim Firth and Dominic Miller.

sponsorship opportunities

The Stables has a strong record in building high profile corporate partnerships with a commitment to delivering clear business objectives for our partners. Working in partnership with The Stables can generate greater brand awareness, new business and PR opportunities and a return on investment. testimonials from previous clients

"Marshall Amplification Plc has enjoyed a longstanding relationship with The Stables Theatre where we have hosted many an evening of great entertainment at both the old Stables and now the new Theatre, where the auditorium is named after our founder, Jim Marshall.

The new theatre still retains the charm and intimacy afforded by the old theatre but offers modern and comfortable surroundings, with up to date technology. The hospitality packages offered are excellent value with a wide variety of menus to suit all tastes and budgets.

We would have no hesitation in recommending the Stables Theatre as a perfect venue for both corporate and private entertaining."

Jonathan Ellery - Managing Director

"We have been using The Stables for our company events for several years now and during that time we have always been very impressed with their facilities. The theatre style layout is perfect for our meetings and the staffs are professional and on hand to help at all times. We enjoy returning every year, as we find it to be an ideal venue that meets the needs of our business."

Angie Lawrence, CSR & Internal Communications Manager, Domino's Pizza

"Audi UK have held regular staff meetings at the Stables for a number of years now and on each occasion we have found the staff a delight to work with. Both during the pre-event build up and then during the event itself, the team at the Stables have supported us to the highest standards."

Jane Makings, Events Manager, Audi UK
